Subject : Skill Management Development job training program by Abhinav Institute of Technology & Management

Respected Concern,

The Government of Maharashtra plans to implement a policy of training workforce of unskilled & semi skilled workmen. The Government of Maharashtra has therefore issued a GR vide Gr no 2017 /(188/17)ViShi-3, for skill development initiative. The scheme is implemented by the Higher & Technical education department of the State of Maharashtra and its aims at skill development and skill up gradation of the students who could be employed in industry.

Abhinav Institute of Technology & Management has excellent over 24 years in the field of education with dedicated & committed services to individual as a beneficiary to all type of social underprivileged across Maharashtra is well appreciated and recognized.

It also gives you an opportunity to groom unskilled & semi Skilled workers as per your company's standard requirement.

Highlights of this program;

- Earn & Learn is approved by the Govt. of Maharashtra (On Job Training Diploma Program) .
- Free Education for students .
- Industry selected students for On Job Training Program.
- Students get minimum stipend every month from the company selected at.
- Duration 1 to 2 years.
- Industries bear the cost of education & institute charges. No government funding .
- Students from social economical, rural background, school dropouts are presently getting on job training in Industries.
- Support for education & training by industry & corporate as social responsibility

To serve community better, for Learn & Earn, On Job Training program, I recognized and strongly recommend.
